TuckerGardner

Little Gransden is a much favoured village, well known for its attractive period houses, winding streets and picturesque views. Set in wooded, undulating countryside yet conveniently situated 7 miles from St Neots, approximately 11 miles from Cambridge and 14 miles from Bedford. Nearby Great Gransden offers a village primary school, playgroup, sports centre and Cambridge University Gliding Club plus a village shop and public house. The nearby towns of Cambridge, St Neots and Huntingdon provide rail links to London. The close by A428 provides access to the M11 motorway, the A1 and the A1/M1 link road.

Built to a traditional style, using carefully chosen materials to blend with the surroundings, these high quality 4 and 5 bedroom homes offer well proportioned accommodation set over two floors.

Each property includes a luxury kitchen with integrated appliances, spacious sitting room, formal dining room and a study. Upstairs the properties further benefit from two en suite shower rooms and a family bathroom.

Outside, the properties each enjoy a private gated driveway providing off-road parking and leading to double garages. To the rear the plots each offer generous sized gardens, a paddock and open views.

Confidence Guaranteed

One of the many benefits of purchasing a brand new home from Fairfield Homes is the peace of mind that comes with the protection of a full LABC 10yr New Home Warranty and the confidence that The Consumer Code for Home Builders offers.

Consumer Protection

We are pleased to adopt the standards of good practice, procedures and information, as detailed in the Consumer Code for Home Builders.

The purpose of the Code is to ensure that Home Buyers:

- are treated fairly;
- know what service levels to expect;
- are given reliable information upon which to make their decisions; and
- know how to access speedy, low-cost dispute resolution arrangements if they are dissatisfied.

For more information about the Consumer Code, please visit: www.consumercodeforhomebuilders.com.

LABC New Home Warranty

Your home has the benefit of cover under the LABC warranty scheme. The LABC policy is valid for 10 years, usually from the date of legal completion of the first sale of the home.

This warranty policy:

- secures deposits paid against the unlikely event of the developer failing to start or complete your home because of insolvency or fraud
- ensures that your home is built to LABC's quality standards
- provides your new home with protection against the unlikely event of major structural defects

All Housing Units insured by the LABC New Home Warranty are the subject of a system of checks and inspections prior to a Certificate of Insurance being issued.

Full details of the warranty can be found in the LABC policy details which you should receive from your solicitor after legal completion.

After Sales Care

If you have a problem with the home during the first 2 years of the policy, Fairfield Homes provide a Customer Service number to offer you guidance and advice.

Fairfield Homes is responsible for putting right any defects (as defined in the LABC policy) during this 2 year period.

Important notice: TuckerGardner, their clients and any joint agents give notice that:

1. They are not authorised to make or give any representations or warranties in relation to the property either here or elsewhere, either on their own behalf or on behalf of their client or otherwise. They assume no responsibility for any statement that may be made in these particulars. These particulars do not form part of any offer or contract and must not be relied upon as statements or representations of fact.
